Alliance Invites Community Input at Open Forums

Easton, Pa. – Third Street Alliance for Women and Children located in downtown Easton invites area residents to attend any one of their open community forums planned in May. The recent closing of the Alliance’s aquatics program opens up possibilities to transform the former pool space into areas for other activities. The purpose of the meetings is to garner ideas and comments for modifying that space to meet the needs and suggestions of the community.

“With change comes opportunity,” says executive director Judy Matthewson, “and we welcome input from our neighbors and community members as we move forward to develop and improve our programs. We want to hear from residents, ‘What does Easton want and need?’”

Each forum is expected to last about an hour. Registration is suggested, but walk-ins are welcome. The forum schedule is: Tuesday, May 10th at 6pm, Wednesday, May 11th at 8am, Saturday, May 14th at 2pm, Sunday, May 22nd at 12:30pm or Tuesday, May 24th at 7:30pm. For more information and to register, call (610) 258-6271 or email to jmatthewson@ThirdStreetAlliance.org.

Third Street Alliance is a nonprofit human service organization providing shelter for homeless women and their children, an accredited child care center, compassionate adult day services, and wellness and education programs.
